Dear Scott,

I'm writing to recommend (b)(6) (b)(6) for a job with the Department of the Interior. My colleagues and I at Trout Unlimited have had the pleasure of working with (b)(6) during his time in the office of Senator Crapo. (b)(6) has a strong understanding of public lands issues, and an appreciation for the fishing and hunting opportunities made possible through the efforts of the Interior Department. This background would serve him well in a Fish and Wildlife role within the Department. Please feel free to contact me if you have any questions about his qualifications.

Keith
